

## The Gentle Gamblers (A Trilogy of Canadian Historical Novels Book 1)

A Historical Novel of pioneer adventure that takes the reader from PEI , Canada, to the Prairies. The family brave the dark lean days in the beginning of the twentieth century on the Canadian prairies looking for a pot-o-gold - a stretch of black fertile soil alive with a sea of golden wheat. This comes at a time when black blizzards and the economy help to lead into the biggest Depression the country has ever known.
